

Axis Bank Scholarship- Website Content

Axis Bank Scholarship aims to support deserving candidates from diverse socio-economic, gender and geographical backgrounds, pursuing full-time undergraduate programs.

Set up by Axis Bank, the scholarship seeks to enrich the talent pool that would be joining the workforce or going for higher education in the STEM domains.

The needs-based scholarships shall demonstrate a positive bias towards:

- Applicants from diverse socio-economic backgrounds and tier 2,3,4 towns
- Women applicants, with an aim to catalyze and inspire a greater number of women to join STEM disciplines in India

Scholarship Coverage

Axis Bank Scholarship will be awarded to students pursuing full-time undergraduate studies at the upcoming Plaksha University.

The scholarships will be awarded on an annual basis to deserving candidates subject to eligibility and selection process. The scholarship will be renewed for up to four years or until a bachelor's degree is earned, whichever occurs first. Scholarship renewal is contingent upon satisfaction of academic performance and other requirements.

Eligibility Criteria

In order to be eligible for receiving the Scholarship, the student must –

- Be a citizen of India
- Be a recipient of a firm offer of admission for Undergraduate Studies at the upcoming Plaksha University
- Complete the financial aid application

Student Obligations

- Academic requirements: As a scholarship recipient, the candidate must maintain a minimum CGPA equivalent of 2.5/4.0 or above to be eligible for Scholarship Renewal at the end of each year.
- Participation in projects, Internships and Capstones: Axis Scholars will conceptualize and participate in Projects, Internships and Capstones as part of their curriculum at Plaksha.
