

TCTA is a state-owned liability management entity responsible for bulk raw water infrastructure development.

BURSARY OPPORTUNITIES (2022)

TCTA is offering ten (10) bursary opportunities to academically deserving youth from previously disadvantaged backgrounds. Eligible applicants include, first & second year students who are already studying or planning to study towards their undergraduate degree at a recognized South African higher learning Institution.

The following fields of study will be considered for funding:

- BCom Economics (Financial Management/Treasury & Investment, Commercial or any related numerate Degree (x2))
- BSc or BEng in Civil/ Electrical (Controls & Instrumentation)/Mechanical/ Chemical (x4)
- BSc or BTech in Environmental Science/Environmental Management, Environmental Law (x4)

The bursary scheme covers the full payment of registration, accommodation, meals, learning tools including prescribed books and a monthly stipend, within the TCTA criteria.

Only shortlisted applicants need to submit the rest of the supporting documents.

To be considered, please complete the application form which is accessible on: www.tcta.co.za/careers/interns&bursaries. The form should be accompanied by a motivation letter and copy of academic record and submitted to Nomvula Mhlambi: bursaries@tcta.co.za by 05 August 2022.
