Corteva Agriscience™, the world's first dedicated agriculture start-up, serves to enrich the lives of those who produce and those who consume, ensuring progress for generations to come. Our employees fulfill this purpose everyday by building/participating in an inclusive culture where we encourage each other to stay curious, think differently, act boldly and do what's right for our customers, our co-workers, our partners, and our planet. With over 20,000 team members from 130 countries, innovating in 140 world class R&D facilities, we have the resources, leadership heritage and partner ecosystem to make a meaningful impact now and into the future.

THE CORTEVA BURSARY

Corteva Agriscience South Africa invites students to apply for bursary funding for the 2024 academic year for studies towards Agricultural qualifications (undergraduates or postgraduate). Bursaries are awarded each year to full-time students.

The bursary will be a maximum value of **R95,000** per annum for undergraduate students and **R125,000** for postgraduate students and should be used to pay for full tuition fees, textbooks, accommodation including university accredited residence, and research costs. Bursaries will be paid directly to the student's tertiary institution account.

Shortlisted applicants will be notified of the outcome of their applications by no later than 31 August 2023. If you do not receive feedback, please regard your application as unsuccessful.

ELIGIBILITY REQUIREMENTS FOR THE CORTEVA BURSARY:

Applicants must satisfy the following minimum entry criteria before applying (please note that failure to satisfy all the requirement will lead to your application not being considered):
